and Staff of Missouri Baptist
College, St. Louis Campus, join
in extending this

Christmas Greeting

as we express our gratitude for
your fellowship.

May the blessings of Jesus
Christ be yours as through Him
men come to know

"Glory to God in the highest,
and on the earth
Peace, Good-will toward
men."

LEWIS TO ST. LOUIS CAMPUS REGISTRAR AND ADMISSIONS COUNSELOR

W. D. (Doug) Lewis is now serving as registrar at the St. Louis Campus and also working as a counselor with the office of admissions for the college. The Rev. Mr. Lewis came to his new position on November 15.

As registrar he has the responsibility for student and academic records. In the work of admissions he will give primary attention to student recruitment for the St. Louis Campus. Mr. Lewis will, however, be able to advise students interested in the Hannibal Campus. The college recruitment program is coordinated through a combined office of admissions serving both campuses with Darrel Atkins as director of the program.

Lewis comes to this new position with the advantage of past school experience. Before his latest work with the Education Center, Lincoln County, as special counselor in learning, he was dean of student services and registrar at Hannibal-LaGrange Campus. This, and other experience, will enable him to give helpful counsel to students anticipating a college career.

He is available for church appearances and for conferences with youth groups in church programs. He may be contacted through the registrar's office or Office of Development on the St. Louis Campus.

Mr. Lewis, his wife, Marie, and two sons, Bob, 17, and Bill, 19, are now making their home at Hannibal. They plan to locate in the St. Louis area at a later date.

Mike Lockette's 2-pointer is anxiously watched by Bill Fountain (l. foreground) backed by Rich Turner.

SHARON YOUNG

BASKETBALL FESTIVAL ROYALTY

The December 5 Basketball Festival (forerunner of future Homecoming Days) was climaxed by a winning game and presentation of the basketball royalty.

St. Louis Campus's first Queen, Sharon Young, a sophomore student, was crowned at half-time ceremonies to rule over the Festival. She was accompanied by her four attendants, Jan Hanson, Linda Weber, Ruth Viehmann, and Linda Haynes.

Mrs. Beatrice von Rohr, faculty advisor, the Cheer Leaders and the Student Council planned and conducted the Festival Coronation and following reception.

Basketball Festival Attendants (l. to r.) Jan Hanson, Linda Weber, Ruth Viehmann, Linda Haynes.

A TREE FOR CHRISTMAS

Christmas is a time of varied interests that make the season a delight to all. For many A TREE FOR CHRISTMAS is one of these pleasures.

While you are enjoying these symbols of the season perhaps you might want to consider a gift to the St. Louis Campus—A TREE FOR CHRISTMAS!

Trees were included in the proposed landscaping plan for the new campus to enhance the necessary seeding and sodding around the buildings. Later the trees and shrubbery were withdrawn from the landscaping contract to keep the cost within the budget.

Trees and shrubbery are items that can be added to a lawn at any time. However, now that the campus grounds have been graded and some of the new grass promises a green carpet, it is more apparent that trees will add to the beauty of the campus.

A TREE FOR CHRISTMAS could be a Christmas gift project for a family, a Sunday School Class, Training Union, or mission group as well as an activity for a church or individual. The complete tree landscape proposal will cost approximately \$2,000 - \$2,500.

Gifts in any amount may be given for the planting of trees on the campus. Information is available on the type and costs of specified trees for any person or group interested in designating the gift of a particular tree. Contact the Office of Development for detailed information.

A TREE FOR CHRISTMAS—your gift to the St. Louis Campus—is a gift to last a life-time while adding to the pleasure of others and the attractiveness of the college grounds.

STUDENT MUSIC GROUPS PRESENT CHURCH PROGRAMS

Songs, testimonies and pictures are used to present an interesting program as members of the St. Louis Campus Choir and Chorus visit area churches. The groups and their director, Miss Sara Coday, music instructor at Missouri Baptist College, are now representing the college in church music programs as a part of their activity.

Groups available for church appearances include the campus choir, the chorus and an ensemble. Their presentations vary from assisting in a worship service by singing the choir special to conducting a full program of music and information about the college. For this type of program, a representative of the college accompanies the music group to show slide pictures of the St. Louis Campus.

College students involved in this ministry have volunteered their services because of their interest in the college and the churches. Inquiries concerning the student music group schedules should be sent to Miss Sara Coday or to the Office of Development, Virgil L. Vaughn, director.

1968 Booster Banquet In New Gymnasium

SECOND ANNUAL BOOSTER BANQUET ON ST. LOUIS CAMPUS

Second of the St. Louis Campus Booster Banquets, but first on the new campus, the 1968 Booster Banquet was held Tuesday, November 12, in the new gymnasium.

Dr. Earl Harding, executive secretary of the Missouri Baptist Convention, gave the major address. His comments on the place of Christian Education in today's world were a thrilling challenge to the 180 banquet guests.

Other program personalities included Dr. L. A. Foster, president of Missouri Baptist College; Mr. Lafe Dupy, city administrator, Creve Coeur; Dr. Homer DeLozier, executive secretary, St. Louis Baptist Mission Board; the Rev. Wallace Jones, Fee Fee Baptist Church; and the Rev. Frank Kellogg, Maplewood Baptist Church. Presiding at the banquet program was the college vice-president, Virgil L. Vaughn.

Contributions to the Banquet goal totaled \$1,470.00. Proceeds from the Banquet will purchase books and equipment for the library, adding to the more than 8,000 volumes currently carried. (A gift has been received since the Banquet and designated for library books. See the article on the gift by Mr. and Mrs. John Bean.)

Faculty members and students arranged the decorating and serving of the Banquet. Music for the evening was provided by the campus chorus. Indicative of the helpful cooperation in this venture, the associational retired men's organization, Walter Anderson, Chairman, arranged for transporting the serving tables which were loaned by the Kirkwood and Rock Hill Baptist churches.

Dr. Earl Harding (r.), Banquet Speaker. Others (l. to r.) Dr. Paul Weber, Mrs. Frank Kellogg, Rev. Frank Kellogg, Mrs. Lafe Dupy, Mr. Lafe Dupy, Administrator, City of Creve Coeur.

TONS OF GRASS SEED FOR CAMPUS

Construction grading (and mud) is now turning to a carpet of green as the fall work on seeding the campus is showing results.

Deep appreciation for this improvement is expressed to the Williams Seed Company, Maryville, Missouri, Garvin R. Williams, owner, for its generous gift to make this possible. Mr. Williams, a trustee of Missouri Baptist College, donated more than two tons of grass seed for this purpose.

The seed was delivered to the college in Mr. Williams' truck. It arrived in two shipments for storage on the campus (and, in case you are wondering, two tons of grass seed is quite a room-full!)

Mr. Williams, his wife, Imogene, and his son, Leon, are members of the First Baptist Church, Maryville, Missouri, where he serves as a deacon. The Williams have an active interest in young people through their connection with the State College at Maryville.

Landscaping work is being done by Roger C. Fuqua, a member of the Kingshighway Baptist Church, St. Louis, Missouri. Mr. Fuqua and his crew were able to finish most of the seeding before the winter weather. Some additional work will be required next spring before the landscaping is completed.

ADDRESSING EQUIPMENT NEEDED: SMITH GIFT TO HELP PURCHASE

Processing mailings to send news of the college activities to its friends is a lengthy task and the college is hoping to secure addressing equipment to speed this work. This equipment would be of great assistance in selective group mailings as well as the general news bulletins.

A trustee, Dr. Ralph M. G. Smith, Kirksville, is the donor of the second gift to apply on the purchase of addressing equipment. His gift is being held in reserve for this purpose along with the funds given by Mr. and Mrs. Bean of Maplewood.

Total cost for the equipment will approximate \$2,000.00. This will secure the machine and materials to prepare the initial mailing lists. One-half of this amount has been received to date.

Establishing a new campus and furnishing the offices and class rooms for a program of Christian Education requires considerable necessary equipment. The college appreciates the thoughtfulness and generous help of its friends in these projects.

CHRISTMAS CONCERT GIVEN DECEMBER 15

A concert of Christmas music was presented by the St. Louis Campus Choir and Chorus Sunday, December 15. The concert was held at the Kirkwood Baptist Church.

Music selections included styles ranging in periods from Medieval to contemporary American. There were choices of favorite carols and two Bach compositions on the Christmas theme.

The concert program featured selections by the twelve-voice choir and by the chorus. Both of these groups were composed of students from the music classes at St. Louis Campus.

Student accompanist for the groups was Mrs. Bill Hodges of St. Louis. Miss Jan Hanson, Maryland Heights, a freshman student, was flutist for the concert.

Organ accompaniment was played by Mr. Alan Wood, instructor of music at Missouri Baptist College and organist at Third Baptist Church, St. Louis. Miss Sara Coday, music instructor at the college, is director of the choir and chorus.

Library and Office Equipment Benefit By Mr. and Mrs. John Bean Gift

Mr. and Mrs. John Bean, members of the Maplewood Baptist Church, have recently made a gift to the St. Louis Campus, helping to provide some needed items. The \$1,000.00 gift is designated equally for library books and addressing equipment.

The gift is in memory of Mrs. C. W. Vaughan, aunt of Mrs. Bean. Books placed in the library from this fund will be identified with bookplates indicating this memorial gift.

To assist in the processing of college records and sending news of college events to friends the Beans have specified half of their gift to apply on the purchase of addressing equipment. This portion of the fund will be held in reserve until additional monies can be secured to make the purchase of the equipment possible.

Mrs. Bean has an active interest in libraries and good books. She serves as librarian for the Maplewood Church where she supervises an outstanding church library.

With over 8,000 volumes in its collection, St. Louis Campus has excellent resource materials for the present two-year program. However, new books are always necessary to keep pace with current affairs and an enlarging college program. The Mrs. C. W. Vaughan memorial books will be welcome additions. This generous and helpful gift from Mr. and Mrs. Bean is deeply appreciated.

SECOND SEMESTER TO BEGIN JANUARY 28

Course offerings have now been formulated in readiness for the second semester's work beginning January 28. The courses scheduled will provide for those desiring to begin college with the second semester as well as for students currently enrolled.

Besides a full program of day classes, evening classes will be taught on Tuesday and Thursday. A part of the regular curriculum, evening classes carry full college credit. Two three-hour courses may be carried in the evening section for a total of six hours credit.

All work offered is accredited by the North Central Association of Colleges and Secondary Schools.

Information concerning the second semester classes and pre-enrollment procedures is available from the college admissions office.
