THE INTERNAL NEWS PROVIDER FOR FACULTY, STAFF AND ADMINISTRATION

November 1, 1995 - Vertrees' on the Inauguration - November Birthdays

It is often next to impossible to adequately thank everyone who works to successfully bring about a special event. Please accept this acknowledgement as a collective 'thank you' from the Inaugural Committee.

Dr. and Mrs. Lacey's participation and contribution was evident to everyone. Their guidance was crucial from the initial planning through the conclusion of events with Friday afternoons Inaugural Ceremony.

In the First epistle of Paul to the Corinthians, Chapter 12, Verse 25 & 26, Paul writes: "That there should be no division in the body, but that the members should have the same care for one another. And if one member suffers, all the members suffer with it; if one member is honored, all members rejoice with it."

Please take a moment to look over the list of MBC faculty, staff, and students who worked as one body with no division on Inaugural events.

There is a destiny that makes us brothers:
None goes his way alone;
All that we send into the lives of others
Comes back into our own.
- Edwin Markham

With Sincere Appreciation,

Gloria Vertrees
