PRESIDENT'S COLUMN

What a great way to start the year! God has blessed us in many ways. With a new parking lot, an increased enrollment, dedicated people, and a strong mission, Missouri Baptist College is poised to have one of its best years in history.

Though we do not have final figures enrollment could be up by as much as 18% on the main campus. Of course, we will not have the figures from Jefferson Community College and the ex-

tension centers until later in the semester. Right now they seem to be holding their own with maybe a small increase.

I am so thankful for our staff that worked long and hard to get things in order for the opening of the semester. The campus was made to sparkle by our maintenance workers. Ken Revenaugh pressed for the parking lot to be ready. I ran across one of our business office workers painting a bench on her lunch hour! Such was the spirit that prevailed in every office on campus. Thanks also to those who showed students to their classes and who parked cars on the first few days.

The welcome weekend activities were as good as any I have ever seen. Mary Ann Conaway and Ginger Ross and all the student development staff came together to put on an outstanding event. The participation by faculty and staff helped to make the event very successful. One parent wrote "Our top two priorities in finding a college for both our

daughters is a strong spiritual emphasis combined with good academics. After Welcome Weekend we felt assured that Missouri Baptist College was not just 'Christian' in name only, but that spiritual and academic qualities were also the priorities of the college."

The spirit of excellence is alive and well on the campus. I am looking forward to a wonderful year.
