READ ALL ABOUT IT!!!

Major Newspaper Undergoes Change

No, it's not the Globe-Democrat. It's the MBC WEEKLY. That's right! Our school newspaper now is staffed by students. We're changing a few things, so be watching for them. One of the first things you may notice is the new name: the SPARTAN TIMES. We hope you like it.

Anyone wanting to work on the newspaper may do so by signing up for ENG 413D Studies in Writing - Journalism.

In order to keep the SPARTAN TIMES completely accurate and informative, we need your help. If you have any news or announcements, please turn them in to Julie Dothager or Monica Warren no later than Wednesday before the Friday of publication.

=====

Thanks to the senior class for the barbeque and activities during orientation. It was great!

HAVE YOU BOUGHT YOUR BOOKS YET?

BULLETIN BOARD

Before anyone can put up posters, flyers, etc., they must be cleared through the Dean of Students office. This also applies to job announcements, housing opportunities, etc.

There are several bulletin boards around that you should check regularly to keep up to date. Most of the boards in the lounge are for general use. Others are specifically for scholarships, contests, and job opportunities. Check the boards by the Deans' office and by Ac317 for general jobs. Check the boards by Dr. Leach's office (318) and by Dr. Chaney's office (320) for education jobs. Check the board by Dr. Herman's office (319) for history/social science opportunities, by Dr. Davis's office (Ac333) for church positions, and by the Choir Room (Ac104) for opportunities in music.

LIBRARY LIBERTIES

Mr. Gateley, our head librarian and the vice-president of the St. Louis Regional Library Network, wishes to welcome everyone this fall and invite them over to the library.

Hours are 7:00AM - 10:00PM MT
7:00AM - 5:00PM WF
12:00PM - 4:00PM SAT
CLOSED DURING CHAPEL

Students may participate in the inter-library program sponsored by the St. Louis Regional Library Network. This program allows students to check out materials from participating libraries (e.g. Wash. U.) by using an MBC info-pass. Info-passes may be obtained at the circulation desk. If you can't get to another library, and ours doesn't have what you need, you can get materials through the inter-library loan program. Again, ask at the circulation desk.
