THE INTERNAL NEWS PROVIDER FOR FACULTY, STAFF AND ADMINISTRATION

March 25, 1996 . Opening Night  
Faculty/Staff Out and About . This Week

## THURSDAY NIGHT IS OPENING NIGHT FOR BRIGADOON

Well the spring musical is almost here and Mrs. McAfee and Lee Sisney can be seen covered in paint, climbing ladders and yelling cues at all hours of the day and night. (When it is all over you will find them in the fetal position in a corner of DeLozier Chapel sucking their thumbs and pulling their hair out... if they have any left...)

Brigadoon is a fabulous show. The students are doing a wonderful job. This is a very complicated show! We are using six points of action, 82 costumes, 112 props, a grand drape and a scrim, 72 lighting fixtures (we own 13), 10 wireless microphones (we don't own any of these), five golden rings, and a partridge in a pear tree (OK, when you this tired everything seems cute). Most of the costumes are borrowed as well as many of the lights (as many as we could beg from our theatre friends).

It takes six technicians just to run this show! It will be

wonderful (that's a command)... after all it is a show about miracles.

I am so grateful for all of the new students who have become a part of our Music Theatre efforts. They are an enormously talented group and a great deal of help. I am especially pleased to have recruited Hannah Webb and Tim Landwehr. They have given of their time and talent over and above the call of duty.

A dreamy little town (and I must say it does look dreamy), all covered in mist and heather appears from no where...just in time to save one hopelessly lost young man from a life of emptiness. I fully intend on going there for a little rest and relaxation just as soon as we put this show to bed.

You must come and see this show (not a command, but an urgent request). To all of you who have helped . . . and you know who you are . . . Thank you, Thank you, Thank you!!!!

Rhonda McAfee  
Part-Time Instructor of Music

## PERFORMANCE TIMES FOR BRIGADOON

Thursday 7:30 p.m.

Friday 8:00 p.m.

Saturday 1:00 p.m.

and 8:00 p.m.

26 - Faculty/Staff Appreciation Day  
in the Cafeteria

28 - 11:00 Academic Chapel

28-30 - Brigadoon

30 - Alumni Spring Meeting

**FACULTY/ STAFF OUT AND ABOUT**

On March 8th, Dr. Ladd Faszold, Keith Ross and David Rice attended the SMAMSL Solo and Ensemble Festival at Tower Grove Christian School. Dr. Faszold and Mr. Rice were music judges while Mr. Ross represented the MBC Admissions Office. It is important to note that MBC was the only college present. The music festival is a great opportunity to meet many prospective students. There were several hundred students from many of the St. Louis metropolitan area Christian schools and homeschools. The music talent displayed by the students was very impressive. This was the second year MBC was asked to judge at the festival and we hope to be invited back next year.

Mr. David Wilch attended the Missiongate Board Meeting at the Kirk of the Hills Presbyterian Church on January 13th and led in a worship service at the Gumbo Prison on February 8th with about forty-five inmates.

Dr. Curtis McClain has been selected to *Who's Who Among American Teacher's 1996*. He was nominated by Henry Long, a former student. Also, Dr. McClain was Steering Committee Chairman

for a Bible Conference at FBC Harvester on March 5-7. The conference was "Evangelism and the Sovereignty of God" hosted by the Southern Baptist Founders Conference Midwest.

Carson William Miller made his arrival at 9:12 a.m. on March 21st to direct the affairs at the home of Dr. David and Amy Miller. He weighed 6 lb. 11 oz. Dr. Jo Ann and Bob Miller are the proud grandparents.

Dr. Betty Parato attended the St. Louis Deans and Directors Meeting at the Junior League on February 9th and the "Strategies for Promoting Critical Thinking" and "Challenges in Teaching Nursing" seminar sponsored by Addison-Wesley Nursing on February 10th. She has also been nominated by a former student and selected for inclusion in the fourth edition of *Who's Who Among America's Teachers, 1996*.

Patricia Bagwill and daughter, Brooke spent their Spring Break touring in Italy. From all accounts they had a very interesting week and will be glad to share their experiences. Are we going to have a study trip in the future to Italy??

Dr. J. B. Boren reports that the new state-of-the-art Exercise Testing system is in place in the Administration Building. He is still familiarizing himself and students with it. By next fall he hopes to be able to test some faculty who wish to be screened for heart disease.

**Who says, there's no free lunch?**

Tuesday, March 26th is Faculty and Staff Appreciation Luncheon in the Cafeteria. The food service workers want you to know their appreciation for all that you do on campus. See you there.
